

# Corey Wu

2A Computer Engineering

<https://github.com/coreywu> • [c69wu@uwaterloo.ca](mailto:c69wu@uwaterloo.ca)

## SKILLS SUMMARY

---

- **Languages:** Java, Python, C#, C++, PHP, MySQL, HTML, CSS
- **APIs/Tools:** Eclipse, Android, JUnit, Git, Selenium Browser Automation, Sauce Labs, Buildbot
- **Systems:** Windows, Linux (Crunchbang), Mac

## EXPERIENCE

---

### Test Automation Developer

Toronto, ON

*Polar (formerly Polar Mobile)*

Apr. 2013 – Aug. 2013

- Designed automated testing architecture using Buildbot to automatically run tests written in Java.
- Helped company achieve continuous deployment by through continuous integration using Buildbot, reducing release cycle time significantly.
- Developed and executed Selenium test cases in Java using the JUnit framework to thoroughly test mobile and web applications with multiple browsers in parallel.

**Key Technologies:** Java, JUnit, Eclipse, Selenium, Bash, Buildbot.

## PROJECTS

---

### UW Food Menu

*Waterloo Food Services Android App*

Mar. 2013 – Present

- Designed a parser to asynchronously request and parse JSON data from the University of Waterloo API into data to be displayed in app.
- Integrated with Google Maps API to display location data and operational hours of eateries.
- Implemented Python and PHP scripts to parse API data and store in a MySQL or SQLite database.
- Used Git for version control and implemented a feature branch workflow with issue tracking.

**Key Technologies:** Java, Eclipse, Python, PHP, MySQL, Git.

## EDUCATION

---

### Candidate for Bachelor of Applied Science

Waterloo, ON

*University of Waterloo*

Sept. 2012 – Present

#### • Relevant Projects

##### Android Map Navigation App

- Designed an Android application to algorithmically navigate a user past obstacles to a chosen destination using an SVG map.
- Implemented constant polling from magnetic field and gyroscope sensors to determine the user's position and orientation.
- Created a finite state machine to determine user's movements.

#### • Awards

**Faculty of Engineering Upper-Year Scholarship**, University of Waterloo

June 2013

\* Awarded to the top student in each class based on academic performance.

**Dean's Honour List**, University of Waterloo

Mar. 2013 & June 2013
